

KAREN FLETCHER

Camilla asked me to write a few words to introduce myself so here goes!

We got our first briard in 1985 as a family pet, after losing our Old English Sheepdog at the time we had two young children. I was told by the breeder you won't stop at one briard and sure enough 18 months later our second one arrived.

AND SO THE ADDICTION BEGAN

Over the years we have owned and shown several briards one of which was a champion. We have also bred 5 litters and gained two grandchildren along the way (I did tell my children to get a puppy instead).

I started judging briards in the UK in October 1992 and awarded my first set of Challenge Certificates in 2002.

I judge several other working and pastoral breeds and both groups at open shows. I am on the Briard Association committee along with my husband (Dave) who is show manager, we also run the Briard discover dogs stand at Crufts

I was thrilled to be invited to judge your show in May 2010 and I am looking forward to it.

Well that's me done hope you're still awake.

By the way the photo shows me following me other obsession Shopping!!
